Important information – please read

- As part of our normal process, we may approach your previous indemnity or insurance organisation for your claims history. This process will take a minimum of 15 working days.
- Failure to disclose full and accurate details about your previous history, practice and income may invalidate your membership which means you are not entitled to any advice or assistance from MPS.
- When completing the previous history section on page 2 you must account for any gaps in your indemnity or insurance history from your date of graduation.
- If you have had professional indemnity or insurance (other than from MPS) for any practice outside of the United Kingdom you must obtain your case history to submit with this application.
- As MPS provides occurrence based membership, we would not assist with any matter arising from an incident pre-dating your MPS membership.
- If you are leaving a claims made insurance contract, please ensure you have notified your previous provider of any adverse incident of which you are aware, that could become a claim. You should also check with the provider whether any closing payment is required to secure "run-off" cover for any future claim which may arise from an incident pre-dating your MPS membership.

Please note that signing the declaration on page 3 indicates acceptance of the following requirements:

Members undertake to keep MPS informed of their current address and any changes in their professional circumstances. Failure to notify us of any change of address or scope of practice could result in the suspension of the benefits of membership and/or the termination of your membership. Members should understand that MPS is not an insurance company. The benefits of MPS membership are granted at the discretion of Council and are subject to the terms and conditions of the MPS Memorandum and Articles of Association, as amended from time to time.
